

A MESSAGE FROM YOUR GUIDE [Wisson West]

“It is my pleasure to guide you into beautiful East Africa.”

I planned this itinerary in particular so that we would be traveling to and through outstanding destinations.

There will be morning strolls in the city and guided tours, private dinners and amazing natural scenery. We will arrive by plane, train, automobile, and if you choose, ferry.

We will visit artists at work and rendezvous with friends. It is my pleasure to guide you into beautiful East Africa.
